

Old London

ANYTHING BUT TRADITIONAL

JULY 2026

DEFIANTLY VINTAGE

Two words. One revolution.

Old London was forged in the elegance of the Victorian era – and reborn for those who refuse to leave the past behind.

Taking the essence of Victorian craft – the weight, the form, the unapologetic grandeur, and tearing up every tired rule written around them.

We keep what matters: the substance, the beauty, the soul. We discard the rest: the stuffiness, the predictability, the beige surrender.

Old London. Anything But Traditional.

TRADITION, BEAUTIFULLY REWRITTEN

Every basin, every bath, every hand-finished unit we make is an act of creative defiance. A refusal to accept that traditional means safe. Heritage design belongs in the hands of those bold enough to make it their own.

We believe that vintage detailing deserves to live alongside bold colour, contemporary confidence and the kind of uncompromising quality you can feel.

This is vintage, reloaded – designed for the Notting Hill townhouse, the Cotswolds bolt-hole, the Edinburgh penthouse, and every bold soul who refuses to live by anyone else's blueprint.

OLD LONDON FURNITURE

This is where it all begins – and where convention ends. The Old London collection is our beating heart: premium furniture built with unyielding attention to detail.

From the vertical tongue-and-groove panelling to the weighted, satisfying pull of every door. Recessed shaker-style frontages and softly arched plinth detailing give each unit a sculptural authority that refuses to fade into the background.

TWILIGHT BLUE

Deep, dusky and quietly theatrical. The blue hour, captured in cabinetry.

HUNTER GREEN

Library walls. Country estates.
A green with stories to tell.

TIMELESS SAND

Warm, weathered,
wonderfully composed. The
colour of long afternoons
and longer histories.

STORM GREY

Moody, magnetic, a little
mysterious. For bathrooms that
prefer twilight to morning.

RICHMOND

Architecture for
the Bathroom.

The Richmond
collection channels
the poised sensibility
of Victorian design –
that brief, brilliant
moment when
ornamentation gave
way to form.

RICHMOND

Every piece carries a quiet authority: precise edges tempered by gentle curves, surfaces that gleam with an almost sculptural clarity.

Richmond doesn't recreate the past. It distils it.

CHANCERY

Fearlessly Fluted.
Radically Refined.

The effect is both decorative and structural – ceramic that borrows from the grandeur of period buildings and scales it to the most intimate room in the house.

Chancery doesn't ask for attention. It's already the centrepiece.

BATHS

The boat bath is a study in sculptural restraint.

Its symmetry creates unbroken lines that draw the eye from end to end. No feet, no fuss – just pure, uninterrupted form.

BOAT

SLIPPER

Roll Top Baths simply command the centre of the room.

The curved lip, the exposed feet, the generous depth – every element is an invitation to slow down and indulge.

The shower bath
refuses to compromise.

Marrying the generous,
soaking depth of
a traditional
freestanding form with
the practicality of a
fully functional
shower space. Proof
that function and
beauty were never
meant to be separated.

TOPAZ TAPS

One range. Endless conviction.
Topaz offers a constellation of
design options for basin and bath.

The weight in your hand. The
quarter-turn precision. The way
light traces every edge. Topaz
doesn't accessorise a bathroom.
It completes it.

BRUSHED BRASS

Warm, wilful and wonderfully unbothered.
The golden-hour glow that knows precisely
how good it looks.

BRUSHED PEWTER

Smoke, shadow and quiet swagger.
A moody, mineral whisper for
those who prefer their luxury
served understated.

CHROME

The classicist with a sharper tongue. Mirror-bright, unapologetically lustrous, and far too clever to be called safe.

TOPAZ SHOWERS

The Topaz shower collection brings uncompromising design philosophy – that reigns from above.

Valves, heads, arms and shower kits are available in Chrome, Brushed Brass and Brushed Pewter, creating a cohesive brassware story from basin and bath to the shower wall.

Every component is built to feel as good as it looks – because a shower should be a daily ritual, not a daily compromise.

BRUSHED BRASS

CHROME

Exposed valves with tactile, hand-operated controls. Rainfall shower heads that deliver with authority.

Every fitting a reminder that the details aren't details — they're the whole point.
